## **SHUTTLE BUS PASSES (Friday only)**

See the map first: [http://www.lbl.gov/Workplace/Facilities/Support/Busses/all\\_routes.html](http://www.lbl.gov/Workplace/Facilities/Support/Busses/all_routes.html)

### **If you are coming to the Lab on Friday 19 November on the LBNL shuttle**

You need a shuttle pass. If you do not have this (received by email):

Contact Gail Harper at [gfharp@lbl.gov](mailto:gfharp@lbl.gov) unless you are staying at the LBNL Guest House. They will issue passes to you.

Contact [berkeleylabguesthouse@berkeley.edu](mailto:berkeleylabguesthouse@berkeley.edu) if you have not received a pass.

**There is no shuttle on Saturday.**

## **PARKING**

**If you are driving to the Lab on Friday**, reserved parking must be arranged for you.

If you are staying at the Guest House, they have their own parking which they will take care of when you check in.

If you are **not** staying at the Guest House, and have not received notification of your reserved parking, please let Gail Harper know at [gfharp@lbl.gov](mailto:gfharp@lbl.gov)).

**On Saturday**, no reserved parking is required because the Lab is empty.

## **ACCESS**

All meeting attendees will be on a list at the Lab gate, so there will be no problem with access.

## **RIDES TO LBNL**

**On Friday**, meeting attendees staying at the **Shattuck or Durant Hotels** will be coming by car.

- Ramon Miquel ([RMiquel@ifae.es](mailto:RMiquel@ifae.es)) will bring attendees from the **Durant Hotel**.
- Guenther Dissertori ([guenther.dissertori@cern.ch](mailto:guenther.dissertori@cern.ch)) those from the **Shattuck**.

Attendees should assemble in their respective hotel lobbies at 8:15 and meet their driver. You may wish to confirm your ride and the exact time with them by email.

**On Saturday**, because of complications with the "Big Game", those meeting attendees who are staying at the **Durant Hotel** have to take taxis.

Those staying at the **Shattuck Hotel** can decide between car (Dissertori) or a taxi (the ride from the Shattuck is less likely to be impacted by the Big Game, but you should go via Hearst Avenue).

Attendees should assemble in their hotel lobby at 8:45, and hotel personnel can call a taxi.
